# OUR COMPANY

At Grupo Andes Farms, we're a family-owned and operated business. As pioneers in Colombia's fresh-cut flower industry, we produce and export 60 varieties of Roses and 30 types of Alstroemerias.

For over 55 years, Grupo Andes Farms has served clients worldwide, consistently delivering superior quality Roses and Alstroemerias. Our exceptional selection of breeder varieties, meticulous in-field care, and advanced post-harvest practices ensure our products provide extraordinary quality and unparalleled vase life for our customers.

Our commitment to excellence and unwavering dedication to service are just part of our promise to you. We also place immense value on innovation, technology, and sustainability. Respect for individuals and a focus on social responsibility complete our philosophy, which we call Simply Perfect.

Simply Perfect is more than just a phrase—it's our way of doing business.

Thank you for your interest in Grupo Andes Farms.
